Butterfly Valves for General Purposes, Tight shut- off, DN-40 mm to 300 mm, PN 1.6, Class 150, Wafer Valves, Manual Operation

1. The licence is granted on the explicit condition that you will mark entire/substantial production which conforms to the Indian Standards.
2. The number assigned to this licence is CM/L- 7100098211 which has been made operative from 2025-03-07 and is valid upto 2026-03-06. The licence number should invariably be referred to in your future correspondence.
3. The licence is granted on the explicit condition that you shall mark entire production under scope of licence with Standard Mark and maintain conformity to the relevant Indian Standards. Accordingly, you shall cover the entire production under scope of licence with Standard Mark and maintain conformity to the relevant Indian Standards. In addition, you shall display the BIS product certification licence held by you prominently at your premises and also mention the BIS product certification licence held by you in your commercial advertisements.
4. According to sub-regulation (1) &(3) of Paragraph 5 of scheme I of Schedule II under Bureau of Indian Standards (Conformity of Assessment) Regulation, 2018, the annual licence fee of Rs. 1000.00 and the marking fee for use of standard mark as per Annexure-I of Scheme I of BIS (Conformity assessment) Regulation 2018 is payable by you with effect from 2025-03-07 for the period of validity of the licence licence in advance.
5. Minimum marking fee stipulated in Annexure -I of scheme I of BIS (Conformity Assessment) Regulation 2018 is payable by you regardless of the whether you actually mark your product or not with the Standard Mark. **Our Receipt No. AA71PC2024003052** dated 2025-02-12 for the licence fee and the minimum marking fee for the first operative period is already *issued/enclosed/being sent separately.
6. This advance minimum marking fee will be carried over to the next year on every renewal. The actual marking fee calculated on the unit rate on the production marked or the minimum marking fee, whichever is higher shall be payable by you at the time of renewal.

7. With a view to streamlining the reporting of quantity marked, calculation and collection of marking fee on the unit rate basis, fees will be calculated on the production marked during the first nine months of operation of the licence at the time of first renewal, and on the production marked during twelve months comprising the last three months of the previous operative year and the first nine months of the current operative year, at the time of the second and subsequent renewals. In case the licence expires, the entire production marked till the expiry date shall be taken into account for calculating the marking fee payable.
8. The Scheme of Testing and Inspection submitted by you and agreed by BIS or the Scheme of Testing and Inspection as specified by BIS will have to be implemented by your organization strictly and completely. This supervision of the operation of the Scheme shall be done by a person responsible for the quality control function in your organization. Kindly inform us the name and designation of the person who will be held responsible for the operation and maintenance of the Scheme. Any future change in this respect will have to be communicated by you to us as and when these take place.
9. We are enclosing a sheet giving the preferred dimensions of the Standard Mark to enable you to prepare the designs of the Standard Mark for marking the above product Photographic reduction in any size is permissible. This will ensure the relative proportions of the different dimensions maintained. Preferred dimensions be used as far as possible.
10. On commencement of marking of your product for which you are licensed, you may advertise your product with Standard Mark in various media only during the validity of your licence. The use of Standard Mark on letterheads and publicity literature will be permitted only on receipt of your assurance that in the event of cancellation or lapsing of your licence, the Standard Mark on your letterheads, publicity literatures etc. will be destroyed/obliterated.
11. This licence is granted for your factory situated at **108, GOVERNMENT INDUSTRIAL ESTATE, MASAT, SILVASSA - 396230, DISTRICT - DADRA & NAGAR HAVELI** Privileges under the licence shall not be exercised by any other firm company/factory etc. This licence is not transferable in the event of shifting the manufacturing and testing equipment from the licensed premises to some other place, use of Standard Mark shall be stopped till the new premises are inspected and found to be satisfactory by us in respect of manufacturing and testing facilities available there and the address of the new premises is endorsed in the licence.
12. You are also advised to make yourself and other employees in your organisation aware about the provisions of the BIS Act, 2016 and Rules and Regulations framed thereunder especially the implications in case of any intentional or unintentional non-adherence.
13. It may be noted that this licence is granted under option 2 which is subject to the condition that if samples drawn on (Date of drawl of verification sample) by BIS during the verification visit before grant of licence, fail to conform to the requirements of relevant Indian Standard (in any requirement), the licence shall be put under suspension, and in case fresh sample after corrective action is not offered within one month or fresh sample fails to conform to the requirement of relevant Indian Standard, in any requirement, the licence shall be processed for cancellation.

Dear Sir,

By obtaining the BIS Certification Marking Licence you have joined the large family of licensees operating the BIS Certification Marking Scheme.

As you are, no doubt, aware that consumers are anxiously looking for products conforming to the standard and they would be interested to know the new BIS Licensees. It is, therefore, necessary that the fact that your product has been covered under a BIS licence should be made known far and wide and for this purpose we would suggest that you advertise this fact in the newspapers giving this information and details of your product for which the licence has been granted. To create a better image in the consumer's mind, the standard mark which has been granted may also be displayed in the advertisements in regional newspapers to obtain better coverage.

You may also consider having additional publicity through other media such as radio or TV.

We do hope that you would implement the above suggestions and we would request you to send us the text of your advertisement for our approval together with entire advertisement/publicity programme for the year.

Thanking you,

Yours faithfully,

(S K Singh)

Senior Director and Head (SUBO)
